President's Message

GREETINGS,

Hey, it is almost spring; a few warm days are a great teaser. As all Okies know, March can be full of surprises. These warm days sure feel good though and can spring not be far behind when all the green weeds are sticking their heads up in my yard. It's time to get the Model A out for its spring cleaning and ready for a drive. We have a great tour planed with the Sooner Model A club to the Stillwater area. The Sooner Club is planning the tour and they promise it will be a lot of fun. This will be a good "shake down" run in preparation for the Regional Meet at Overland Park, Kansas, June 5 through 11, 2011. I encourage everyone to plan on going if possible. This will be a good chance for us to get some ideas for 2014 when the Tulsa Model A Club will host the Regional meet. We will be having a special organizational meeting in April. We will post the place and date as soon as we can secure a meeting room. Watch the Rumble Sheet and email for date and place. So be thinking about some activity ideas and areas you would like to serve.

Next meeting is on March 15, 2011 is potato dinner, so come hungry.

Let the Ford be with You,
Don Reed

As in the past, some members will be needed on Wednesday morning to assist with setting up the display area and checking in members cars. Benny will be able to provide more details at our membership meeting on March 15. Special thanks to Benny for being our coordinator for this event.

Nuts and Bolts (or Miscellaneous Tidbits)

by Ken Brust

One doesn't need to be mechanic or engine tech to enjoy cool, customized cars. I have always enjoyed Darryl Starbird's Hot Rod magazines ever since I was a teenager. He always had a way of making a pretty nice car look even fancier. I have been through his museum at Grand Lake a couple of times and have always enjoyed seeing all of his customized cars. When I saw the recent email from Roy about the Starbird Show here in Tulsa wanting some of our old cars in the show, I thought that would be fun. I took our Town Sedan and parked it among the many hotrods, muscle cars and mean machines on display! If you went to the show, you must agree that there were some really strange looking vehicles there but very interesting nevertheless. Many Model A Fords and later Ford models were favorite cars for making into street rods. There was even a Model A Ford pickup that had been converted to a crew cab truck. Really amazing!! We have another car show coming this month where brand new cars are displayed. Our Club always likes to display our cars at this show just to illustrate the many changes that have been made in the past 80 years or so. Come join the fun and enjoy the car show! Happy trails to you! the worst part.....almost every time I sneeze, cough or splutter, either my radiator leaks or my exhaust backfires! Happy Trails!

NIGHT OUT WITH "Buddy Holly"

Twenty-five members and guests enjoy the music of a Buddy Holly concert, "Rave On!" recently at the Robson Performing Center in Claremore. Billy McGuigan has received national acclaim for his portrayals of the legendary Buddy Holly. Audiences continue to be awed by his realism, sincerity and talent. His interpretation of Buddy Holly has taken him all over the United States, and has led to incredible box office successes.

Thanks to Ralph Hudson for suggesting this activity! Connie secured the tickets and reserved space so we could dine together at Rib Crib prior to the show. It was truly a concert to rave about!

2011: 1000 Mile Club PROGRAM by Roy Cail

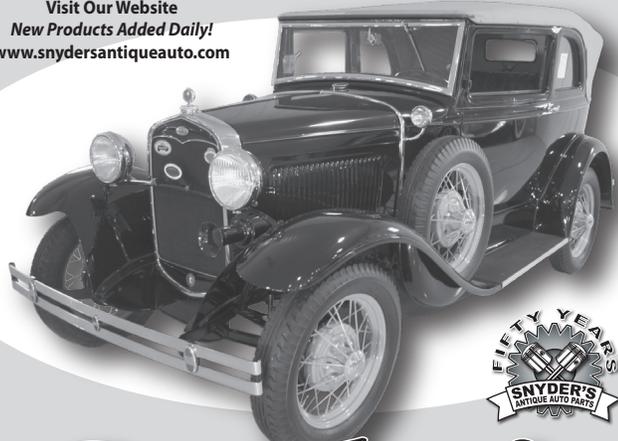

We're off and running for the 2011 driving season. Well maybe not too many miles yet given the winter we have had. However, with the upcoming Spring Tour and other activities we should start accumulating miles quickly. I am happy to report we have 22 members enrolled in the 1000 Mile Program and look forward seeing our results for the year. In 2010 our group drove 40,462 miles so we have a good benchmark set for this year. The Sloan's were the big winners last year with 3,907 miles -- a great personal benchmark for all of us. Our reporting will be different this year in that we will do a mid-year odometer report to measure progress then the final reading in December. This will make it a little easier on all of us. We want to thank all those participating in the program.

PLANS FOR SPRING TOUR TO STILLWATER/PERKINS AREA

The Sooner Model A Ford Club is hosting this year's spring tour, "Cowboy Country Model A Roundup." Rick Jensen has provided some of the details in the article below. As you will note, the tour is planned for 2 nights, but our club has been promoting just one night. You can choose to do either. If going up on Friday, you need to arrive at Eskimo Joe's in Stillwater by 11 a.m. for an early lunch. (Let Rick know you are coming.) They get too busy at "high noon" to promise reservations any later. The afternoon will be spent visiting two museums on area and Civil War as well as another stop or two before going to Hideaway Pizza for dinner. Activities are planned for the group that evening. When booking your hotel follow the directions below and specify that you are staying 2 nights. Those going up on Friday will arrange their own caravanning, etc.

If you are caravanning up after our club's breakfast on Saturday morning, we will leave IHop immediately and go directly to Perkins to meet up with the others. The tour will take us to an eagle sanctuary, a hideout used by outlaws, and Pistol Pete's (the original one) home. Lunch will be picnic style; dinner will be BBQ at Bad Brad's. Sunday we will tour the OSU campus including the stadium. If you are only going up for one night, you must be VERY CLEAR when booking your hotel that you will just be there on Saturday. This is a very busy weekend for the OSU campus and hotel rooms are in short supply....but, we have a block of 25 rooms on reserve.

SOME IRISH HUMOR

Paddy was tooling along the road one fine day when the local policeman, a friend of his, pulled him

over. "What's wrong, Seamus?" Paddy asked. "Well didn't ya know, Paddy, that your wife fell out of the car about five miles back?" said Seamus. "Ah, praise the Almighty!" Paddy replied with relief. "I thought I'd gone deaf!"

COWBOY COUNTRY MODEL A ROUNDUP

April 1st thru 3rd 2011

Dust off yer cowboy hat and boots and saddle up the Model A, 'cause word has it the Sooner and Tulsa gangs are meetin' up fer an old fashioned rip-roarin sod bustin' Model A Roundup.

Good times are sure to fly as we visit the Stillwater/Perkins area where we will be eatin' at some modern day Chuckwagons servin' up some of the best grub this side of Dodge City. Add to that some historic museums, a Model A trail ride out to Perkins where we will visit an eagle sanctuary, a gangster "hideout," and picnic at the Territorial Plaza, where we will visit the home of Pistol Pete, who later became the mascot of the OSU Cowboys, and a tour of the OSU campus facilities.

Both gangs are said to be boardin' at the Quality Inn of Stillwater, where the women folk have been known to raise a ruckus at night .

So, April 1st, one hour before high noon, we ride into Stillwater's Eskimo Joes for the start of a fun-filled weekend. If you can't make it on the first, come on the 2nd, just dont miss this reunion of two long time Oklahoma Model A car clubs.

RSVP please,so we can plan for your fun.

“ Happy Trails”

An Irishman, by the name of O'Malley proposed to his girl on St. Patrick's Day. He gave her a ring with a synthetic diamond. The excited young lass showed it to her father, a jeweller. He took one look at it and saw it wasn't real.

The young lass on learning it wasn't real returned to her future husband. She protested vehemently about his cheapness.

'It was in honour of St. Patrick's Day, 'he smiled.

'I gave you a sham rock.'
