Issue 1

## President's Message

Happy New Year everyone, welcome to 2012. I hope everyone's new year is starting off great and all of those New Year's resolutions are under way - more fun and miles in an old Model "A". We are off to a great start with a 'pot luck' dinner' on January 17th. (See separate article for details on what to bring). After dinner, Ken Brust will bring us up to date on the 2014 Regional Meet. Be thinking about which committee you would like to serve on and your ideas on how to make this a great Regional Meet.

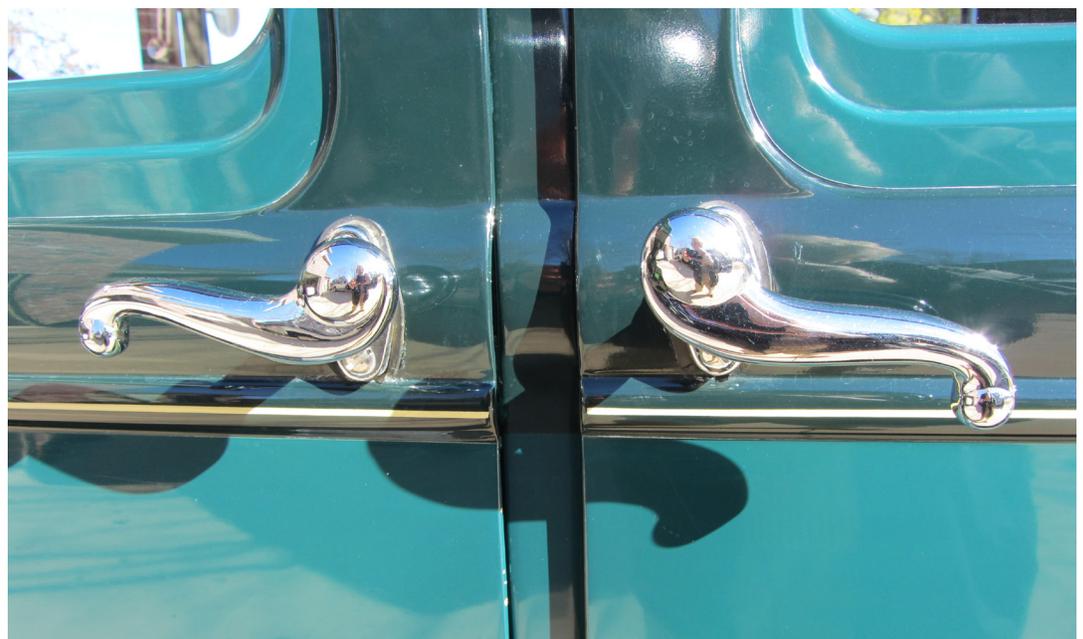

Last year we went to the Buddy Holly concert at Claremore; everyone had a great time. If you are interested in doing something like that again and/or have a idea of what you would like to see, please let theBoard know what you have in mind.

Let me remind everyone to please get your 2012 dues in at the January meeting and also don't forget your MAFCA dues. We will also be taking pictures for the directory at the meeting.

The Tulsa Model "A" Club will be hosting the spring tour this year. We will be inviting the Sooner Club from Oklahoma City. The tour committee would welcome your input on things to do on the tour.

We had a good year last year, let's have an even better one this year.

May the Ford be with you,  
Don Reed

## Pot Luck Dinner at January Monthly Meeting

Our New Year's Resolutions might be broken when we have our third "Annual" Pot Luck Dinner prior to our January Monthly Meeting. As we did last year, we have rotated the list so you do not bring the same kind of dish each year. Each family will be responsible for bringing a dish to share. See chart below for what to bring: Last name begins with:

A - D Desserts

(cakes, cookies, pies, cobblers, brownies, etc.)

E - Q Side dishes

(fruit salads, potato dishes, relishes, rolls, veggies, etc.)

R - Z Entrée

In addition, volunteers are needed for the following: Voting for People's Choice, Technical Seminars, Swap Meet, Booklet with Daily Schedule of Events, Goody Bags and a possible Tulsa Regional Meet Souvenir. What else?

We hope to kick off this preparation effort at the January 17, 2012, club meeting. We will have sign-up sheets for each Committee and a brief discussion of the role of each Committee. Volunteers for the unassigned areas will be requested. Additional slogan ideas will also be solicited. A follow-up meeting of all Committee Chairs will be conducted at a later date to select the specific dates and slogan for the 2014 Regional Meet. Each Committee can then establish its own future meeting date/time/place. As the Chairs for the Regional Meet, we will stay involved with each Committee Chair and report overall progress to the membership at our monthly club meetings.

## Model A Ford Museum

by Roy Cail

This is the latest update we have on the progress of the Model A Ford museum being built in Michigan. As you will note in the article the Foundation is near its goal but is still looking for that final push to have the funds needed. One way to contribute is the purchase of a walkway brick for \$150 that will be engraved with your personal information.

December 29 - MODEL "A"  
MUSEUM GROUND-BREAKING  
APRIL 17, 2012

The construction fund is less than \$100,000 short of the amount needed, so every Model A'er is encouraged to make a contribution or buy an engraved walkway brick for their family (\$150) or share the cost of a brick with a friend (\$75- each). D-Day is approaching and the museum will be built if everyone in the Model A hobby provides support. ENGRAVED BRICKS last forever and are a perfect gift for the Holidays, Birthdays and Anniversaries. Also, the engraved bricks make a wonderful memorial for loyal Model A'ers. (Order form on MAFFI web site.) If all goes well in the coming months, the ground-breaking ceremony for the Model A Ford Museum will take place on April 17, 2012 at the Gilmore site in Michigan. This will be a low key occasion of short duration, saving all the 'Hoopla' for the Grand Opening. More details to follow.

Thanks to all those that participated in this program over the past two years. It is a good way to have a little competition and fun and keep those A's on the road.

Stan Johnson  
MAFFI President

## Nuts and Bolts (or Miscellaneous Tidbits!)

by Ken Brust

Happy New Year! I hope all of you had an enjoyable holiday season and are looking forward to another fun year with our Model A Fords! We hear Santa brought some new Model A's to some of our members. Ralph and Connie have a "new" four door Town Sedan and Charlie and Samantha have a "new" Sport Coupe. Speaking of Charlie, it is really nice to see him up and around again after knee surgery. He injured his knee while chasing down a suspected murderer. It is also loads of fun to have Loretta back to her normal self following a medical setback. She is always a hoot to be around.

At our club Christmas Party, I handed out some pictures of our cars parked in front of the Coleman Theatre during our Fall Tour. If you didn't get one of these pictures and want one, please grab me at the next meeting and I'll have some with me. I'm still working on getting the pictures of each of our cars parked in Afton at the old gas station. Also, I just heard from Jim White. He is the photographer who took pictures of some of our cars in Claremore to go onto tee shirts. He said he was completely overwhelmed by pre-holiday business but expects to get everyone's order out before Christmas. I certainly hope that is the case. Hey, Harold, did you ever get your Playboy shoot with him scheduled?

We need to get fired up for the Tulsa 2014 Regional Meet now that the holidays are behind us. Please look for a separate article on this subject in this issue. If you have ideas or want to talk with Tory and me about volunteering for a specific area, please do not hesitate to call. We'd love to hear from you.

Think warm thoughts and springtime will be here before we know it. As Kermit the Frog always says, "Time's fun when you're having flies."

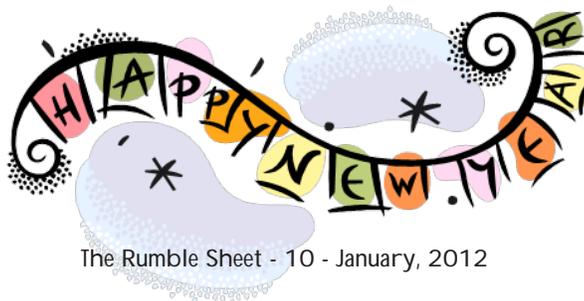

Happy trails to you.
