President's Message

Hello again. We are off to a good year already. Here it is February; Valentine's Day is just around the corner. This is the month of love. We love our spouses and we love our Model A's. We will be having pies supplied by Village Inn for treats for our February meeting.

I want to thank everyone for your contributions to the Model A Ford Museum for a brick with the Club's name on it. The museum would be a great place to visit on a vacation. I have a DVD to show at the next meeting on the museum.

Thanks to Ken and Troy Brust for having the steering committee meeting in their home. It looks like we are off to a good start on the 2014 Regional Meet.

March meeting is our baked potato dinner. We need a couple of volunteers to help bake the potatoes. There will be a signup sheet at the February meeting.

March 15th through 28th is the Tulsa Auto Show at the Quick Trip Center. We will have two sign up sheets at the next meeting, one for those displaying their cars and one for work schedules. Even if you don't show your car we still need your help to man the display area and answer questions about the Club and the cars. Please sign up, we need to get everyone evolved.

Thanks - May the Ford be With You, Don

Happy New Year Fellows...

I know you guys are constantly looking for ways to improve the safety of our cars without deviating too much from Henry's original concept.

In this spirit, I want to share an idea that was provided to me by one of my buddies in NC...an air bag for the Model A.

Nuts and Bolts

(or Miscellaneous Tidbits!)

by Ken Brust

Boy, oh boy! Is this a great winter or what? I've played golf 4 times in January, which is unbelievable. Now, if I could just improve my game some, I'd really be in hog heaven! The weather has been so nice that there is already a committee out planning our Spring tour. I hope you are not just letting your "A" sit in the garage this mild winter when it wants to be out and about!

The 2014 Regional Steering Committee met recently at our home, and we have some news to share. The dates have been set for June 9-12, 2014. If you have a 2014 calendar, please mark these dates. You might note that these dates reflect only four days. We in Tulsa are breaking new ground by trying a shortened period for the regional meet rather than the traditional full week from Monday through Friday. We are planning to have the registration on Monday (June 9) followed by a welcome party that evening. Other Monday activities have yet to be designated. We will then have three full days of activities with the meet ending on the evening of Thursday (June 12) with the Awards Banquet. This will allow one less night of hotel expense for most out-of-towners.

Our theme or motto has also been defined. It is: TULSA - Model A Territory! We plan to have shirts made for those going to this year's regional meet in Des Moines to wear as walking, talking advertisements for our 2014 event. The more Tulsa members we have attend the meets in Des Moines and in Wichita in 2013, the better prepared we will be to host the event in Tulsa in 2014. If you can attend either of the events in Des Moines or Wichita, please plan to do so.

Don Reed drove his beautiful T-Bird over to our meeting, but later wished he had driven his Model A. He developed a severe engine oil leak on his way to our house and had to be towed home. I guess you just can't trust those "modern" cars, huh, Don?

Here is a question for my two favorite police officers, Charlie and Samantha. If the police arrest a mime, do you tell him he has the right to remain silent? And, finally, a question for everyone else. Would a fly without wings be called a walk? Remember, the waist is a terrible thing to mind!

Happy Trails.

Club Meeting

2012 1000 Mile Club

by Roy Cail

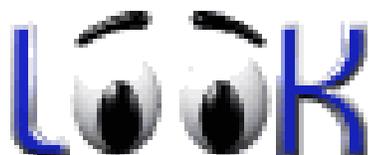

The 2011 1000 Mile Club dash plaques were distributed at the meeting on January 17. In total 14 dash plaques were presented with Bob and Margret Soper having driven the most miles, 2610 miles.

At members request the 1000 Mile Club program will be continued for 2012. If you have questions or wish to participate in this year's program and have not signed up please contact with Roy Cail at roycail@cox.net or 918-299-5691 with your odometer reading(s). If you have more than one vehicle please submit all odometer readings as total miles driven is based on accumulative miles for all your vehicles.
