President's Message

Hello everyone. Can you believe it is over 100+ degrees today? I sure wish I had air conditioning in my Model A. There will be one by next summer.

Last month we were saddened by the loss of a good friend and fellow member in the passing of Lindel Duncan. Our thoughts and prayers are with Mayeta and family.

We had a good turnout for breakfast at Café USA with 13 cars and 32 people. The cars drew a lot of interest from the street, and possibly a new member. For October, we will be at "Breakfast By Day (BBD)" at 81st and Harvard. After breakfast, we will caravan to a private collection of some very fine automobiles. This is a must see collection and show garage.

Friday, September 7th will be our spring tour makeup. I am sure it will be a great day. See separate article for details.

Model A Play Day is coming up Saturday, September 15th. Harold Helton has graciously volunteered to organize the games. I am sure he would appreciate some help.

In October is our fall tour with The Sooner Model A Ford Club. It will be October 18-21. Our contact is Lesa Jensen, 405-200-5904. We will have registration forms at next meeting and they will be emailed out to the Club.

The year is drawing to a close, and we still have a lot of things to do this year.

May the Ford be with you.

Don

Model-A Play Day

by Harold Helton

Play Day will be held September 15, 2012 in the parking lot at Lewis and Clark Elementary School. The games will start at 9:30 am and will be completed in time for lunch at 11:30. The Play Day committee has picked three driving games and two walkup games. First and second place prizes will be awarded in each game. The club is providing lunch followed with our monthly meeting. Come early donut and coffee will be available at the beginning of the games. If you have questions or concerns, call Harold Helton at 918-230-4906.

Saturday, October 6, Club Breakfast and Tour of Private Automobile Collection

Last year following a monthly breakfast, our Model A Ford Club visited an amazing car collection in midtown Tulsa. Unfortunately, many club members missed that special tour, so we have been invited to return for another visit. I think you will greatly enjoy seeing these mint-condition, antique cars. The owner tries to drive each one at least weekly around his neighborhood.

Please join us for breakfast on the first Saturday morning in October (October 6) at Brookside By Day South at 8:00am. This is NOT the original Brookside By Day on Peoria in Brookside but is a newer, south-side restaurant. It is located in a shopping center on the southwest corner of 81st and Harvard. After breakfast we will caravan north along Riverside Drive into midtown and tour this unique collection of fine automobiles. See you at eight. Don't be late! Please call Ken Brust if you have questions at 918.728.2015 or 918.728.1900.

Nuts and Bolts

(or Miscellaneous Tidbits!)

by Ken Brust

Linda Ochs, Jerry Conrad, Tory and I returned from a 17-day vacation in Spain just in time to attend a celebration of life ceremony for Lindell Duncan. Lindell very much loved Model A's and the folks in our Model A Club. He and Mayleta were always involved in our various club activities. He will certainly be missed by all. We didn't have the opportunity to talk with Mayleta or his sister, Barbara Cail, following the service or while at the cemetery, so I wish to convey my deepest sympathy now to them and their families. We had 13 Model A's parked in front of the church plus the two Model A's of Lindell's, so I think we gave him a good farewell. Many more club members were in attendance who didn't drive their Model A's. It was good to see Bob Soper there who is recovering from a recent hip surgery. Virginia Helton was there and is doing her best to recover from walking pneumonia. Lindell and Mayleta's close friend, Jan Ham, unfortunately was not there due to a sudden medical episode she experienced that morning. It seems that at the stage of life most of us find ourselves now, it is more important than ever to remember that we always need to make each day count. Remember, we don't stop playing because we are old. We grow old because we stop playing! Rest in peace, Lindell.

On a beautiful Monday morning, we had ten Model A's attend a new dedication of a restored antique gas station recently converted into a modern CNG (compressed natural gas) station in Owasso. I visited with Charlie Ramsey there who is recovering from recent back surgery. Rodger had his Model AA wrecker there in case any of us needed a tow. But I think we all made it back home on our own in good shape.

We missed the August breakfast at the senior citizens' home and the fly-in breakfast in Oologah, but I hear both were well attended by Model A's. I guess the heat has really bothered many since I hear that Marvin's list of those waiting for air conditioning installations is now up to six. And, one of them is a little red truck owned by Rich and Donna. So much for my honoring Donna last month as the "Model A Woman of the Summer"!!

The club raised almost \$200 at our August

meeting with the cake walks. We had some delicious cakes and we managed to try several of them as soon as they were won. Here I am trying to lose the pounds gained in Spain and I'm gobbling up several pieces of different cakes. What was I thinking??

Happy Trails to You until we meet again and remember to make each day count!

Tulsa Fly-In at Bartlesville Airport Saturday, September 22

The Tulsa Fly-In is one of the oldest fly-ins in the country and is now held in Bartlesville where it has been conducted the past 20 years. This is the 56th year of the event which began at Harvey Young Airport. It later moved to Okmulgee, then Bartlesville, then the new Riverside Airport, then back to Harvey Young, then Tahlequah and then back to Bartlesville. Cost to the general public is \$7 for adults and \$3 for children. Depending on the weather, the Fly-In normally attracts 100 to 200 airplanes from small Piper Cubs, Aeronca Champs and various other small, light planes through surplus WWII military aircraft such as bi-planes, SNJs, T-6s, and others. There are normally several experimental and light sport planes in the mix as well. The variety is very wide.

There is a pancake breakfast served until 10:00am and is open to the public for a donation. Antique cars are encouraged to come and are parked together and admitted free of admission.

At 10:30am the warbirds are scheduled to

arrive and will be parked on the main ramp for "up-close" viewing along with 10-12 other show-class antique/classic aircraft. At about 1:30pm there will be spot landing and short field takeoff contests which are always entertaining to watch. There are numerous food concessions on the field with covered seating for eating near the parking area for the old cars. There

are also exhibits with various aviation related items and souvenirs.

Last year a 1929 Ford Tri-Motor was the star of the show. Mitch DeCamp won a free ride in it but gave his ticket to his daughter, Audrey, who had never flown in a plane before! She said flying in a Ford for her first flight was quite a thrill.

If you are interested in a drive up to Bartlesville for a fun time, plan to meet at the QT east of Skiatook where Highway 20 crosses Highway 75 at 8:00am on Saturday, September 22. We will then caravan together to the airport, eat breakfast, enjoy the airplanes and then mosey back home around 2:00pm or so. If you have questions, call Ken Brust at 918.728.2015 or 918.728.1900.

Rest in Peace Lindell

Cake Walk Success

The Cake Walk at the club's August general meeting was a big success. Thanks to you generous members. It generated \$184.00 to be added to our clubs treasury fund. A big thanks to all the members for participating in the walk and donating those dollars. And a special thanks to those supplying the pretty and delicious cakes.
