The new board is in place and ready for an exciting year. Check page three for a list of new club officers and committee chairs. We have already started planning activities that will build memories in 2014. Lesa Jensen has planned a special day for the ladies on February 15th to celebrate Valentine's Day. I even think us old guys may enjoy the day as well. This will be our monthly meeting on a Saturday plus lunch. The day will start with a photo opportunity at the Waite Phillips Filling Station Museum in Sapulpa. The station will open at 10:00 AM with the vintage gas pumps being put in place just for our club. Bring your camera and take a photo of you're A in front of this historic station built in 1922. Across the street is the Sapulpa Historical Museum, 100 E Lee Ave. one block east of Main Street and one block south of Dewey.

You will be surprised at the quality and size of this museum. You can learn more about the Bartlett Brothers of Sapulpa with their many businesses and the connection the family has to the OU Sooners. Sapulpa has a very colorful history with many characters making the city what it is today. You may learn where Gene Autry worked and why he lost his job in Sapulpa. The Sapulpa Fire Museum is just east of the Historical Museum with a 1939 Ford fire truck and a horse drawn hook and ladder wagon. In the early days the Sapulpa Fire Department was known for being very competitive in the races between towns with horse drawn fire wagons. I am looking forward to going back to these three museums to learn more about the history of Sapulpa.

The February 15th club meeting and luncheon will be held at the Burnett Mansion in Sapulpa. The mansion was built in 1911 by Bates Burnett (a rich oil man) on Main Street. We will begin at 1:00pm with a lunch buffet which includes drinks, desert, and tour of the mansion for \$14 plus tax and tip. Everyone will pay for their own meal the day of but the calling committee will get a count to turn in ahead of the date. I hope we have good weather for this big day so our club will have A's driving around like in the old days. Do you have Model A memories to share with our club? Let one of our board members know so that they can be put in our newsletter.

Keep Smiling, Harold

VOLUNTEER OPPORTUNITIES FOR REGIONAL MEET

by Ken Brust

We have many different areas for everyone to volunteer and feel a part of this Regional Meet. Each chair or lead person of an area can determine the number of volunteers needed to assist, oversee & monitor and can create a schedule for those helping to volunteer. The following categories indicate some areas where volunteers will be needed. The list of tasks under each category is preliminary rather than all inclusive. There may be other areas where we will also need volunteers to help. The Regional Planning Committee will allocate initial budget amounts to lead people where necessary.

When registering yourself for the Regional Meet, go ahead and sign up on the registration form for all events that you plan to attend. If there are conflicts later where volunteering tasks conflict with your attendance, we will resolve it at that time.

If you do not have a Model A, please register to attend the Regional Meet and all scheduled events. There will be plenty of us who will be more than happy to provide rides for those without a car. We want everyone to participate and to enjoy the overall event so please register and let Ken and Tory know if you will need a ride to an event.

- Design, procure or make table decorations
- Decorate for luncheons and banquet - set up and take down where necessary
- Procure door prizes for ladies' luncheon and set up for drawings

CAR GAMES (The Sooner Club is organizing these games. Greg Hoyle is lead. They will have 3 driving games and 3 walk-up games. A \$5 ticket is needed for each car to participate. We may need to provide a ticket taker.) Assume Sooner Club will have personnel to work each game area but we might have volunteers available to assist where needed. Sooner Club is responsible for all rules and dispute settlements

- Need names of first, 2nd and 3rd place winners provided to Ken who is obtaining trophies

FUND RAISING (Maybe the most important effort involved in the success of our Regional. Soliciting donations of money, raffle items, door prizes, program ads or food/drink.) David and Carol Hayes are the

leads. Benny is also helping in this area.

They already have a list of volunteers but may need additional help. If interested, please check with them. If you are volunteering on some of the above areas involving the soliciting of items from commercial establishments, please coordinate with David and Carol so that we are not hitting a place for help from two different club members.

If you know of a business who would be glad to donate sodas, bottled water, food stuff, money, buy a program ad, or any item, please let David and Carol know so that they will not ask this same business for help. Many of you know local businesses and have contacts so please do not be shy by asking for a donation. Just check with David and Carol. All donors will be listed in our program.
