- 11 About the Model A Club

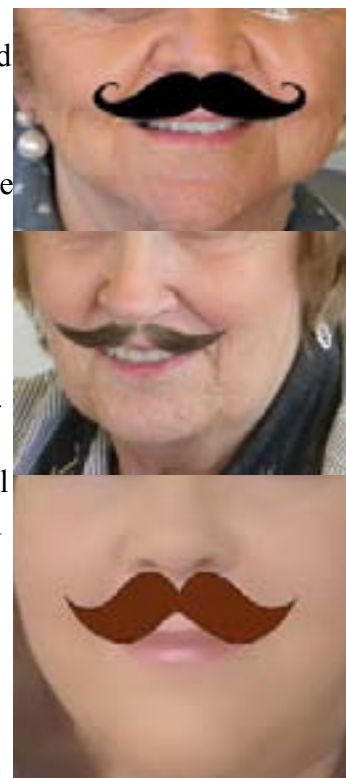

By Harold Helton

Working hard does pay off. Our club started working on the 2014 Regional Meet over two years ago. Well, the good news is, we have over 100 Model A's coming to the Tulsa Model A Territory June 9-12. You should be very proud of what your club has accomplished through a well developed plan and members willing to get involved. Read Ken's Nuts and Bolts article to see who all is taking care of the many projects. Your work speaks volumes about our club and how many great members we have.

Last summer Ralph and I entered the hubley race at the Wichita meet. I have enclosed two photos of the exciting event in this newsletter. At the May club meeting Ralph will share some of his knowledge of racing hubleys. If he is available, Roger Johnson will also help. We have eleven of our members racing this year and many say they need to work on their cars. Even if you do not have a hubley, I believe this will be a very interesting meeting.

At the April Club Meeting our club voted to participate in the Touch a Truck food drive in Owasso. Ralph Hudson and Chuck Ramsey agreed to haul the canned food and non perishable items from our May 3rd breakfast at Tally's to the McDonald's in Owasso. The food items will go to the Owasso Food Bank. This will be the third food drive that our club has participated in recent years. I remember the one held at Jenks and the last one at Sand Springs. Just bring your sacks of food items to Tally's and our Owasso families will deliver.

I have not visited with Ken about the woman wanting to get involved with the handle bar mustache contest. Five of the ladies wanted to be included in the competition. You can see from these photos that they are very serious about trying to win. Jerry Knight said he had to trim his mustache because it was getting too heavy. I am not sure if he was having a hard time holding his head up or what. As I am writing this report, I am thinking about taking a break and styling mine. Chuck Ramsey has a professional helping him with his handle bar. Ken is telling some wild story about what happened to his handle bars. I am just not sure, talk to him and let me know what you think.

Keep Smiling!

NUTS AND BOLTS (OR MISCELLANEOUS TIDBITS)

By Ken Brust

I am dedicating this Nuts & Bolts article to all of you who have stepped up to support our club in hosting the 2014 Tulsa Regional Meet. We are truly inspired by your enthusiasm to help out. As soon as I begin to name those who we want to thank, I will surely miss someone. I apologize up front. Please be assured if I haven't listed your name here, it is because I am old and forgetful and it is certainly not an intentional slight. Rodger and Debbie have volunteered as the youth coordinators and are hard at work now contacting the parents or grandparents of the dozen kids coming to see what they might do to help the kids better enjoy our Regional. Rodger and Debbie have also donated a hand-made Model A quilt and some other priceless items for use in our raffles. Rich has obtained 100 tire gauges and Jerry Sloan 100 flashlights to stuff in our goody bags. Rich is helping me coordinate the complex aerial photograph event with our cars as well as making many of our fancy trophies.

Marvin is making signs, coordinating the vendors and technical sessions, helping layout the parking lot for trailer parking plus his and Ralph's repair tent, as well as helping me plan travel routes. Linda and Jan are coordinating the hospitality suite, and Jan is working to obtain bottled water from her friend at Reasors. Conrad obtained two \$25 gift cards from two different auto parts stores, and Connie and Ralph donated four really nice Route 66 metal signs for door prizes. Benny has made numerous bird houses for table decorations and has obtained a shop stool for a raffle item. Benny will coordinate all raffle items except for Harold who is selling tickets for the major raffle item of 4-free hotel nights.

Of course, David and Carol continue to solicit donations and program ads and have exceeded our expectations. The Pilmaier, DuVall and Robinson families have made generous cash donations to help sponsor certain events and to better enhance our overall Regional Meet. The Greg Hoyle and the Sooner As are hosting our car games, Kent and Jeanne are coordinating more than 50 door prizes and helping the Helton's with the t-shirts at registration. Linda Ochs & Jerry Conrad are coordinating the People's Choice awards, Rich and Donna are coordinating the

goody bags, Rick is handling the 50/50 ticket sales and the list just keeps going on and on. Roy and Barbara have coordinated everything with the hotel as to space for our events and all is looking really super.

Don Reed is coordinating the Hubley races which will be very exciting to those of you who have never seen a 21st century, high tech, electronically timed with video screen Hubley race!! Get your racers finished and ready!

Linda Ochs, Donna, Jesse and Charlotte are assisting Tory and Connie with all food planning efforts to ensure we eat in style. They have beautifully decorated Benny's bird houses for table decorations for the Ladies' Luncheon! Carolyn is making flower vases for each table at the luncheon and Sheryl is making tasty treats for each lady at the luncheon. Virginia has been working ever since registrations opened in January and has been busy detailing everything with a grand total as of this writing at 96 registrations. She and Harold are ordering the t-shirts, car tags and name tags as well as mailing a copy back to each registrant with confirmation. The Helton's with committee help will distribute packets as people check in with them at the hotel in June.

Steve keeps our web page updated and will help me and James Bond put together the final program guide.

Many of the guys are sporting some cool handlebar mustaches, which I think is fun! We have a very nice award for the winner!

We have never needed to beg, twist an arm or threaten to get help since everyone has readily jumped aboard to serve. Tory and I can't thank you enough. We only have one month to go. There are still ample opportunities to help. Get ready to have a rompin' good time in June!

Happy trails to you

TRASH BASH

Our Model-A Club's adopted mile between 71st-81st on S. 129th is once again clean of debris and looking very nice. Thanks to club members efforts on the April 11, Trash Bash pick up day. Workers Mayletta Duncan, Kent & Jeanne Washburn, Jan Ham, Rich & Donna Robinson, Virginia Harris, and Marvin & Linda Mellage picked up eight garbage bags of trash.

UNIVERSITY CLUB TOWER

By James Bond

University Club Tower, the tallest resident building in Oklahoma was completed in 1966. Two Tulsa architects, Bob Piland and Jack Butz developed the drawings for the tower. I worked for Bob Piland when I first moved to Tulsa in 1974. The 32-floor circular structure was designed in 1964 by the use of a computer.

This was the first major building in the United States designed by a computer-aided program. The head engineer and former instructor at OSU, Fred N. Gauger spent 40 computer hours on the project. He said the design would have taken four engineers an equivalent of 2 years to complete the work by hand. When you are driving your Model A and see this round apartment building, you will know some of the history of this Tulsa landmark.

HUBLEY RACE

by Harold Helton

These two photos were taken at the Hubley Race last year at the Regional Meet in Wichita. I was surprised at the size of the crowd that attended. You can see the race track and how the race is computerized. Last year at Wichita, Ralph Hudson and Harold Helton were the only two members from the Tulsa Club that entered the Hubley Race.

This year at the Tulsa Regional Meet eleven of our members have entered the race and there may be more. Ralph will share some of his Hubley Racing knowledge at the May 20th club meeting. Bring your Hubley Racer to the meeting so we can be ready for the June meet.

ABOUT THE TULSA MODEL A FORD CLUB CHAPTER #8231 OF THE MODEL A CLUB OF AMERICA (MAFCA)

This is the official publication of the Tulsa Chapter of Model A Ford Club of America. This monthly newsletter is mailed to members, prospective members, advertisers and editors of similar publications. It's purpose is to keep you informed of what has taken place, scheduled activities and to promote fellowship among club members.

Members are encouraged to submit articles containing technical or any club related information. Articles must reach the editor by the 5th of the month to insure publication in that month's newsletter. Articles received after that will appear in a following newsletter.

Membership dues for the Tulsa Model A Ford Club are \$20 per family annually payable at the end of the year. Contact the New Member chairperson for new memberships and the Treasurer for renewals. The Tulsa Model A Ford Club recommends membership in the national MAFCA organization.

Members may advertise at no cost, non-business ads in the newsletter For Sale, Wanted or Trade section. Businesses may advertise with cost by the ad size, (business card size or 1/4 page) in the advertising section. The number of ads are restricted to space available in the Rumble Sheet. Contact the Advertising chairperson for details.

MEETING SCHEDULE

- Business Meeting - 7:00 p.m. 3rd Tuesday of each month at Lewis & Clark Elementary School, 737 South Garnett, Tulsa
- Breakfast - 9:00 a.m., 1st Saturday of each month, location to be announced
- Board Meeting - 7:00 p.m., 1st Tuesday of each month, Charles Hardesty Library, 8316 East 93rd Street, Tulsa

TO SUBMIT AN ARTICLE, LETTER, OR FOR SALE OR TRADE, EMAIL:
