THE RUMBLE SHEET

DECEMBER 2014 – VOLUME 48 – ISSUE 12

PRESIDENT'S MESSAGE

By Harold Helton

Will Rogers said, "If you don't like the weather in Oklahoma just wait until tomorrow". The recent change from warm fall days to cold winter temperatures reminded me that we never know what to expect. The rain kept us out of the Jenks Christmas parade this year but we still have a chance for the Owasso and Catoosa parades on December 13. Some people are predicting a colder and wetter winter than normal. I hope you are ready for the adventures that are ahead of us.

Sixty-three members including two new families enjoyed a wonderful Mexican dinner at the November club meeting. Yes, 2014 has been a great year for our club. A total of eighteen new members in ten households have joined our club this year. You have done a great job of talking to friends about how much fun we are having. The meeting was a celebration of the outstanding regional meet this summer. The club presented Ken and Tory Brust a plaque for co-chairing the regional meet and leading the way to a very enjoyable week for all that participated. Thanks to them again for all the hard work. The Brust also recognized all of the members that were committee chairs and contributors to the successful event.

Three new board members were elected at the November meeting, Linda Ochs, Tory Brust, and Jerry Conrad. They will replace the three positions of Jeanne Washburn, Rich Robinson, and Harold Helton. Thank you for serving for the past two years. The new officers will be announced

at the December 6th club Christmas party at the Lone Star Steakhouse. Make sure you read the article by Kent Washburn about donations to the Blue Star Mothers. Remember to send your odometer reading to Roy Cail for the 1000 Mile Club check out Roy's article. This is the time to renew your club dues.

This will be my last president's report. I hope you are having as much fun in our club as I am. We have so many great members that make this club a very outstanding organization. We have some committee chairs that want to take a break. To keep our club great please step-up and serve in one of the following positions: sunshine person, refreshments/pop & water, cookie list, and calling committee. This is a great way to get involved.

Keep Smiling!

NUTS AND BOLTS (OR MISCELLANEOUS TIDBITS)

By Ken Brust

We have experienced a surge of new club members lately which is certainly exciting. Two of the new guys are pilots who live at Gundy Airport and fly. Another of their neighbors also has a Model A and flies, so we are wooing him into our group as well. Maybe we can have a club weiner roast out there and eat and watch some flying!

I was at a Corvette car show the other day and saw a magnificent Packard Roadster. Guess who it belonged to! Our own Mel Burton who also has Model As, Model Ts and Corvettes. Mel said he was kind of keeping this Packard a secret. Well, I guess the secret is out now, Mel. What a beautiful car!

Conrad and I recently displayed our two cars at a small Boston Avenue Methodist Church car show. The hit of the show was a 1935 Packard 4-door limo convertible. There was even a secret compartment under the front seat for booze or machine guns, or both! This was the same model Packard that FDR used when he was President. You might have seen it if you saw the recent Ken Burns TV documentary on FDR.

Okay, I have a question. What is the deal on bib overalls? On some they might look appropriate, but on others, I'm not so sure!

Harold recognized George James and Duane Cramer for their milestone memberships in MAFCA. Congrats to both George and Cowboy and to all those maintaining MAFCA memberships.

I read in the paper a nice article about an RV park in Beggs which might be a fun day trip to visit sometime. Anyone been there recently?

We had a dozen Model As in the Claremore Veterans' Day parade with Chuck and Ralph leading us in their fancy AA trucks. Tory walked the entire way dressed in her era outfit. JD would have made it a baker's dozen, but he developed carburetor problems and had to return home. Teresa also drove her Model

A in the Tulsa parade and gave a ride to a Korean War veteran. Many thanks to our veterans and to all of you for your continued support for them.

We had four club members help out the seniors in the Jenks Marching Band recently by using our cars as a backdrop for their senior poster. Good looking kids in era gear!

Tory and I thank you for the very nice plaque presented at the November meeting for our work with the Tulsa Regional. We then acknowledged everyone who helped make the Regional such a success and

presented medallions to those who went the extra mile. Thanks to everyone for all you did and thanks to Harold for his service as our President the past two years!

OREGON TO GEORGIA <http://slotblog.net/forum/415-oregon-to-georgia-in-a-1930-ford/>
 By Harold Helton

One item that Greg Wells had on his bucket list was to purchase a Model A and drive it across the country. Greg and his son, Geoff started on their adventure October 19th after purchasing a 1930 Model A Tudor on ebay. When they left Oregon, Greg was the happy owner of a Model A. A few miles into their journey back home to Georgia the A started leaking water from the water pump. The team said they had a lot of help along their journey. After some major work on the A in Denver, they were set for the drive home.

Benny Benson, Ted Forcum and I were glad to see Greg and his Model A pull into the parking lot at the ACD Factory, Cord plant in Broken Arrow on November 5. The photo of the Georgia or Bust group was taken during their Broken Arrow visit. Greg said the journey from Oregon to Georgia was 2700 miles with an average of 250 miles per day. They planned to be home by November 9th completing a three week journey.

DECEMBER 6 CHRISTMAS PARTY AND DONATIONS TO BLUE STAR MOTHERS

By Kent Washburn

Our club approved at the September meeting to donate to the Blue Star Mothers again this year. We will start in October collecting monies and donation items that will be sent to our troops and complete the project at the December 6th Christmas Party. The Blue Star Mothers have given us a short list of items needed and monies will be used for mailing packages. Do not package items as the mothers would need to repack them. Jeanne Washburn will be collecting monies and Kent Washburn will accept the items for donation.

If you have any questions, contact Kent.

1000 MILE CLUB

by Roy Cail

For those who submitted odometer readings for the 2014 1000 Mile Club program I will be collecting final odometer readings no later than Tuesday, December 16. This timeframe provides an opportunity to capture your mileage from the Christmas parades/party. However, if you do not plan on participating in the parades feel free to provide your odometer reading earlier. Our plan is to present the dash plaques at the January meeting.

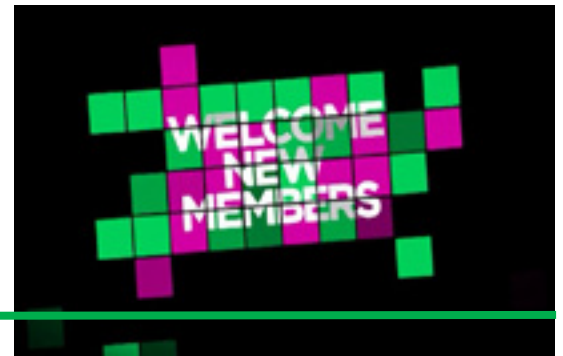

If you have questions please contact Roy Cail at 918-299-5691 or roycail@cox.net. Please submit your final odometer readings via email or in writing, if possible.

ps: It is important to meet the deadline of submitting your odometer readings if you want to receive a dash plaque. I will place the order for the plaques on December 18. Due to time constraints I will not be able to make follow up calls to solicit your readings.
