THE RUMBLE SHEET

SEPTEMBER 2015 – VOLUME 49 – ISSUE 9

CHUCK'S THOUGHTS

Finally we have received a break in the heat. Mother Nature's way of telling us that fall is just around the corner. Although I enjoy the break in the heat, I am not ready to give up on summer. I still have a lot of things I need to get done around the house. The Will Rogers Fly Inn last weekend was a big success. Organizers moved the event from Sunday to Saturday this year and the crowd was amazing. There were people and air planes everywhere. I was very pleased with our club's participation and the cars looked beautiful as always. Afterwards, most of the club went to lunch at the Hammett House in Claremore.

I hope that everyone is planning to attend the fall tour. We are all going to travel to Joplin which is a short drive for all of us. This is going to be a first for Lisa and me. I have to work Thursday evening so Lisa and I are getting up early Friday and heading to Galena all by ourselves. (Not a Ralph in sight) We hope to catch up with the group in time for lunch. I noticed at the last regional that many people come to these events and drive there modern car. That works for our tours also, If you don't feel comfortable driving your Model A, then bring your modern car you will get to enjoy all the food and fellowship and I am sure you will be able to find a ride in the back seat of an "A" when we go to Galena and our other destinations. I got my first look at the T-shirts at last night's meeting and they are a very nice white shirt with the tour emblem on the front. It was a very nice shirt and a bargain at only ten dollars.

Don't forget Gundy's airport for lunch on the 29th of August. I will see you there.

NUTS & BOLTS (OR MISCELLANEOUS TIDBITS)

by Ken Brust

Lately, it seems to me policemen catch more grief in the media than praise. Therefore, it did my heart good to read in our local newspaper an article praising a policeman for saving an injured man's life. And the policeman was our own Charlie Ramsey!! Way to go, Charlie! You and all of your fellow police officers are heroes in my book! Thanks for all you do!

We had another nice turnout for breakfast on August 1st and then displayed our cars afterwards for the appreciative cancer patients. Two weeks later we had 40 members attend the Will Rogers Fly-In in Oologah. It was a beautiful morning, with hundreds of airplanes and many, many others who came out to enjoy the planes, cars, bikes and food trucks and to pay tribute to Will, who died 80 years ago. Greg and Sheryl Hoyle were there from the Oklahoma City area. They are members of our club as well as the Sooner Club, as many of us are also members of both. We were sorry to learn that Greg recently fell off a ladder in his shop, breaking a couple of ribs. He is a retired fireman so one might think he should have lots of experience climbing ladders! But, Greg is a tough guy and is doing quite well with his painful injury and recovery. He owns a Model A parts business now, so some new members may not realize that we have an excellent source of parts right in our own club. Look for his ad in this newsletter. Saw Mitch and Teresa with their grandson at the Fly-In, so it was fun to visit with them. Also, Mitchell, Melody and Chris were test driving their newly assembled Model A Tudor in preparation for their big tour to Yellowstone next month. We hope to hear all about their trip upon their return. I was hoping to inspect Chuck's new AA truck, but he said he still had some tweaking to do on it. I wonder if he meant Ralph had some things yet to do?? John Lairmore, one of our club members who flies, arrived in his airplane! Color me envious!

Our car has been recently chugging and running rough at times but then runs fine at other times. Marvin and Rich had both experienced similar problems with their cars and replaced their coils. We did the same and it appears that might have solved the problem. Food for thought if you also are having these intermittent problems. Of course, it also helps

to replace the fuse when you are finished if you want head lights and turn signals to work!! Hey, I'm a driver, not a mechanic!!

Don't forget to sign up for the Fall Tour. You won't want to miss this outing!

Happy Trails!

TRI-STATE ROUTE 66 FALL TOUR

The sweltering heat this summer may have you looking forward to crisp fall days. Look to October! We have a “cool” Fall Tour scheduled for Thursday, Friday and Saturday, October 15-17. We’ll head for Joplin, Missouri, on Thursday the 15th, check into our hotel and participate in Joplin’s Third Thursday Art Fair. Arts and Crafts, live music, food trucks, shops and restaurants will keep us busy while our Model A’s steal the show.

Friday our Route 66 adventure will have us visiting several sites in Carthage, Missouri, returning to Joplin to explore in the afternoon. Our day out will offer some driving, museums, shopping and, of course, food.

Saturday, we visit three Joplin sites as we head to Kansas for a wealth of fun and history at Route 66 stops. We’ll have dinner back in Joplin at the historic Gryphon Building. Gangsters were active in the heyday of this building. We’ve seen some gangsters from our Club in the past. I wonder if they might show up at this dinner? There will be a prize for the best dressed.

Sunday we’ll head for home, refreshed and relaxed after a weekend with our Model A friends.

“TRI-STATE ROUTE 66” FALL TOUR

October 15, 16, 17 in Oklahoma, Kansas and Missouri offer a wealth of adventures! We’ll have lots of Route 66 to explore, activities galore, great eats and MORE!!! We need to have a count for Friday lunch and Saturday dinner.

Our Friday lunch will be a homestyle barbeque with all the fixings at a popular Route 66 stop in Galena. Lunch will be served at 12 pm in the historic Liberty Building. Cost is \$12 apiece for the meal which includes a visit to the haunted bordello across the street. Please have your money to the Club treasurer, Jerry Conrad, by October 1.

Number arriving by noon for Friday lunch _____

T-shirt orders must be in by September 15. Please indicate size S, M, L, XL, XXL.
