After reading several publications of late about various procedures on how to winterize vehicles for the coming winter, I thought how lucky we are to not have to go through this process.

Here in Oklahoma we pretty much can drive our cars all year round, except for maybe a couple or three weeks during our coldest time with a snow event or two.

These articles went on about draining fluids and putting the car on jack stands

so as not to let the tires get flat spots on them! Some of these cars were put "up" in October, not to be uncovered until April!

When we have a long cold spell, we are more likely to use this time to improve our cars and do things to them that we may have put off during our touring season.

Just," food for thought," you might be thinking about doing some of these projects you want to take on to improve your A's during this time. Start planning now ordering parts and getting your buddies lined up to help you with the heavy stuff.

But, before you do this, we have several events coming up before it gets too cold. We have a fall tour with the OKC folks in October, and we are planning a fun trip to the Tahlequah area in November. There will be some holiday parades too.

See you on the road soon!

Chuck and Carol Ann from Tulsa came to our breakfast. They own two Model A car including the one visible in this photo. We hope they, too, will join us again.

TAHLEQUAH MODEL A TOUR – NOVEMBER 5, 2016

On November 5, 2016, The Tulsa Model A Club will leave Tulsa at 8:00 a.m. for a tour of Tahlequah which will include the Thompson House and the Murrell Home, with a buffet lunch at Jincey's Kitchen in Qualls.

The Thompson House is a historic home built in 1882 for Dr. Joseph M. Thompson, health officer for the Cherokees and a private medical doctor. Enter the charming entryway and view the stained glass windows or explore the woodworking detail on the staircase banister. From Mrs. Thompson's loom room to the parlor, the home is fully furnished with beautiful antiques.

The Murrell Home is the only remaining antebellum plantation home in Oklahoma and was built in 1845. It was the residence of George Murrell and his 2 wives, nieces of Cherokee Chief John Ross and it still contains many of the original furnishings.

Jincey's Kitchen has a great reputation for home-made southern comfort food and the building, formally a general store, has been in the same family since the beginning and was used in the filming of the movie "Where the Red Fern Grows".

Everything is made from scratch including their famous pies. The lunch will be an "all you can eat" buffet of Fried Catfish, Fried Chicken, sides, drinks, dessert. The buffet price is \$25 per person.

Beth Herrington, a wonderful local historian will also be with us throughout the day talking to the group about the local history of Tahlequah and the Cookson Outlaws.

If you would like to sign up for the tour, please e-mail Melody DuVall at duvallstrans@att.net and mail a check made out to the Tulsa Model A Ford Club

for \$25 per person and mail it to Melody at P.O. Box 316, Tahlequah, OK 74465

The deadline to sign up and pay will be the October 18th general meeting, as we have to give an exact count to the restaurant, since they will charge us for the number of guests that we specify.
