Greetings from your President Linda.

We the board are quite excited on getting so many Committee's Chairperson filled so quickly. Thanks to all who volunteered. The only Committee Chairperson position unfilled is for the Fall Tour 2017. A special committee has been formed to review the club's bylaws and determine if any changes are needed. Any recommendations will be submitted to the board for approval. The committee members are Roy Cail (chairperson), Kent Washburn, and Marvin Mellage.

Thanks to Barbara Cail for writing the articles for the national MAFCA Restorer magazine. She writes about the Tulsa Clubs activities. The article is located in the Chapter Clatter section of the magazine.

Notice the Hubley Car Race is the planned activity for February's general meeting. Bring your Hubley's to race or just watch all those little Model-A's race. It's quite a show. Thanks to Rich Robinson and Marvin Mellage for building the Hubley Race track for the club.

Do to the Rumblesheet printing and mailing expenses, only club members without email will continue getting hard copy. All other club members will access the newsletter using their computer.

The club got a new member Jerry Cotton, at the January meeting. He currently does not have a Model-A but is looking for one. His preference is a pickup, but he indicated he's not particular. Let him know if you know of any for sale.

If you have not paid your 2017 club membership dues, please do so soon. The deadline is February 1. Paying after the deadline is too late to get your name and information in this year's club directory. But, you will still be a club member. There's a membership renewal form in this Rumblesheet Newsletter.

I've heard about and seen several Model-A's getting new tires, tune-up's, repairs, and adjustments. I think Fed-Ex and UPS drop off something at least weekly at the shop. That's great because this means the Model-A's are getting ready for some driving including the great touring activities our club is organizing. March's breakfast is in Sapulpa followed by a tour to the Route 66 Museum. Thanks to Melody DuVall for organizing this activity. Also in March is the Spring Tour in Ponca City hosted by the OKC Sooner Model-A Club. There is a tour of the Tulsa Historical Society scheduled after April's breakfast. And a Poker run is being planned for later this Spring. Best keep those Model-A's gassed up and ready. Watch the Newsletter and Calendar of Events for details.

I'm so excited for this year and proud of belonging to a great Model-A Club with such wonderful, friendly, and kind people. See you soon.

Linda Mellage

NUTS & BOLTS (OR MISCELLANEOUS TIDBITS)

by Ken Brust

Well, we've already sailed through January and are well into the new year! Unfortunately, I just recently learned our Model A's main bearing is bad which confirmed our recent concerns about the not-so-good motor sounds. Our motor is now in the hospital in Wichita undergoing surgery by the Model A Medic. We are joining others by going to inserts which seems to make the best sense. Henry Ford used babbitts, sleeve bearings made of certain types of alloys including lead, which worked fine for many, many years. But when the EPA later determined that lead was not a healthy substance to have around, it became very difficult to get a good babbitt to form and wear like the original type which contained lead. Thus, things are changing but our Model A Fords continue to hold up even with the various changes. I hear now that a new aluminum Model A block is even being developed since good cast iron Model A blocks are becoming harder to find. These old cars are probably going to last forever! And, while I'm talking repairs, I'm very pleased to report that Phil Judkins is well on his way with the structural repair on his Town Sedan. Maybe Phil can put together an article on his overall project. Stay tuned.

Did you hear the sad news that one of California's giant Sequoia trees, made famous for the car tunnels carved into their trunks more than 100 years ago, has fallen. Known as the Pioneer Cabin Tree, it was more than 1,000 years old when it toppled over during a vicious January storm. The 'DuVall Trio' recently drove their Model A through a giant Redwood tree in Leggett, California, known as the Chandelier Tree, which is estimated to be over 2,000 years old. And we think our Model A Fords are old!!

Speaking of giant trees in California, this year's National MAFCA Tour in September is along the Pacific Coast Highway with stops at Hearst Castle, Big Sur State Forest, Monterey, Carmel, Pebble Beach, through towering Redwood trees in the Purisima Creek Redwoods Preserve and finally ending after crossing the Golden Gate Bridge into Sausalito and Marin County. How cool a trip would that be in a Model A?

And, while I'm on the subject of touring, the Sooner Club just announced our joint club Spring Tour

is the weekend of March 17 to Ponca City. Lots of interesting history abounds in that area of Oklahoma. Our joint club tours always prove to be extremely entertaining. Also, there are several members planning to go to Omaha in June for the Regional Meet. Some plan to trailer and some drive their Model As, so mark your calendar and come join in the fun.

My new issue of The MAFCA Restorer just arrived. It has a centerfold picture of a fancy AA truck which should make AA truck owners pleased (Rodger, Ralph, Charlie, Chuck.) I have yet to see Chuck's new panel truck in person but have only seen a picture. From what I hear and see, Chuck, you need to send in an article on your new fish market truck to the magazine! It looks like a beauty and needs to be shared!

If you recall, we held our 2014 Regional BBQ Awards Banquet in Stokely's Event Center. Stokely has invited recent clients to attend a free dinner party in appreciation. The date is Thursday, February 16, from 5-8pm. If you are interested in a night of fun, food and drinks, and did not sign the Stokely RSVP sheet at our January meeting, then please call or email me ASAP so I can turn in a count for our club's RSVP.

If you want to see an interesting movie with lots of vintage cars, go see Live By Night! But I have to warn you. It is a gangster movie and will make you cringe to see some of these old cars destroyed in police chases, machine gun sprays and fire crashes!

Just think, next year will be the 90th Anniversary of the Model A Ford and our Club's 50th Anniversary! The Sooner Club is celebrating its 50th Anniversary this year as it hosts the national MAFCA Awards Banquet in December. Also, our own Carolyn Plucknett is celebrating her 100th birthday this March 17. Looks like we have good reasons for lots of celebrations!!

Happy Trails To You.

2017 1000 MILE CLUB

by Roy Cail

The Board has approved the 2017 1000 Mile Club program. I am in the process of setting up the data base for 2017 and need your assistance. If you want to participate this year please contact me at roycail@cox.net. If you participated and submitted final odometer readings in December 2016 I do not need your reading(s), just advise as to your intent to participate. However, if you did not participate in 2016 please send you odometer reading(s) to me. We had a very good 2016 with 18 achieving 1000 miles or more and we can make 2017 even better --- get those A's on the road.

2016 1000 MILE PROGRAM RESULTS

by Roy Cail

The results are in for those participating in the 2016 1000 Mile Program. We had 19 achieving 1000 miles or greater. Mitchel and Melody DuVall drove the most miles in 2016, driving 5,617 miles. The Bullard's and Robinson's rounded out the top three spots with 5,424 and 5,145 miles respectively. Congratulations to all those achieving 1000 miles and especially to our top three. We also have one member achieving 1000 miles or greater for the first time: Oli and Virginia Harris.

1000 Mile Club for 2016:

FORD FACTS

by Marvin Melage

#1

When the Model-A is traveling at 30 Miles Per Hour, the five quarts of oil in the oil pan circulates through the engine twice in every mile. This is an amazing design considering the oil is pumped to the top of the engine then gravity flows to lubricate the many moving parts.

Spring Tour

March 17-19, 2017

We have the Spring Tour planned and we are ready to reveal the information.

- Traveling to Ponca City on Friday
- Staying the weekend at Comfort Inn & Suites.
- Call 1-580-765-2322 for reservations by March 1st.
- Mention Sooner Model A to get the group rate of \$75 per night.

With some coming from the east, some from the south and others from the west, on Friday, at 2p.m., we will meet at the Marland's Grand Home. The home is located at 1000 Grand Avenue. We will enjoy touring the home. When we are finished, we will check into the hotel. After dinner, we will have a "gathering" in the meeting room to discuss the plans for the rest of the weekend. And of course, have fun and visit with friends!!

ABOUT THE TULSA MODEL A FORD CLUB

CHAPTER #8231 OF THE MODEL A CLUB OF AMERICA (MAFCA)

This is the official publication of the Tulsa Chapter of Model A Ford Club of America. This monthly newsletter is mailed to members, prospective members, advertisers and editors of similar publications. It's purpose is to keep you informed of what has taken place, scheduled activities and to promote fellowship among club members.

Members are encouraged to submit articles containing technical or any club related information. Articles must reach the editor by the 5th of the month to insure publication in that month's newsletter. Articles received after that will appear in a following newsletter.

Membership dues for the Tulsa Model A Ford Club are \$20 per family annually payable at the end of the year. Contact the New Member chairperson for new memberships and the Treasurer for renewals. The Tulsa Model A Ford Club recommends membership in the national MAFCA organization.

Members may advertise at no cost, non-business ads in the newsletter For Sale, Wanted or Trade section. Businesses may advertise with cost by the ad size, (business card size or 1/4 page) in the advertising section. The number of ads are restricted to space available in the Rumble Sheet. Contact the Advertising chairperson for details.
