Hello everyone summer time came early this year. What is new? It gets hot in Oklahoma every year. It sure makes us appreciate the air conditioners in the Model A's. So there is no excuse for not getting out and driving your Model A. We had a good meeting this month. I want to think Phil Judkins for sharing his stories of his Model A's. They were very interesting. I also want to think Chris DuVall for organizing the 1930's movie trivia game. It was a lot of fun.

It looks like Ken Brust and crew have the 50th Anniversary Party organized well and everything is coming along great. It takes a lot of work to put something of this scope together. Thanks Ken.

Barbara Cail has put together a marvelous book of everyone's cars. It will be well worth the price to have a book that has your own Model A's picture in it. Thanks Barbara.

On June 30 we will drive to Tahlequah to see the River City Players. We will meet at the Quick Trip at 81st and Hwy 51 and caravan to Tahlequah and have lunch at Sam & Ella's Restaurant at 12:30. You can shop for a while after lunch before the show starts at 2:00pm. I will hand out the tickets at the theater.

On July 3rd we will attend the 3rd on the 4th Concert at the Tulsa PAC. At 5:45 we meet at Abeulo's Mexican Restaurant (10909 E 71st)

for dinner. After dinner we will proceed to the PAC.

July 7th breakfast will be at the Western Country Dinner (1905 S. Sheridan) after breakfast we will caravan to the V A Center at Claremore. For those that are hungry we will find lunch in Claremore.

July 15 is the 50th Anniversary Party. See Ken Brust's article for details.

Looks like July will be a busy month, be safe with the fireworks. Remember the reason for the celebration.

MAY THE FORD BE WITH YOU, DON REED

Enjoyed visiting with some long-time Model A'ers at breakfast this past month. Bob Kendall rescued me on my first Model A parade when Ruthie died and wouldn't restart! And, Mark Riggins came to our rescue when we had two broken windows within a matter of hours. Mark and Merv Snowden were in the "other" club at one time with our dad. I tried to get all three of these guys who have been around Model A's for a long time to send me their Model A memories, but so far I've only received something from Bob. Thanks, Bob. Mark? Merv?

We had a great time at the Springfield Regional which Barbara writes all about in this Newsletter. (But does she mention that I won 2nd place in the wet tee shirt contest??) We even bumped into David and Carol Hayes who just happened to be dining at the same time in the same restaurant on their way to a family visit up north. We hope to see them at our July 15 party!! If you haven't toured the new wildlife museum and the new aquarium at the Bass Pro Shop in Springfield, you need to add these to your bucket list. Simply incredible! Next year's Regional is in Des Moines and next year's Texas Tour is in Kerrville. Our Fall Tour led by the Sooner Club is down to the Pauls Valley area.

We had a nice group at the Legend's Retirement Home on a recent June Saturday. The residents all enjoyed seeing our Model A's along with some more modern muscle cars and some hot rods. The Legends had live music which was really enjoyable along with an excellent buffet line of chicken, sausage and brisket with chips and beans, all washed down with plenty of lemonade and iced tea. We met Bill Knight there. His dad is a resident so Rich, Benny, Andy and I all visited with him and thanked him for all he has done to support our club.

Plans for our 50th celebration BBQ luncheon are developing nicely. We hope everyone can make it although we know it conflicts with some family reunions for Benny and the Judkins. By the way, Phil and Laura just celebrated their 66th wedding anniversary. Congrats to them!! Also, Robert and Elaine don't think they can make it. They now have a litter of four Model A's so are staying active down in the Houston area. We need 35 Model A's for our

aerial photo to form the number "50" so please plan to drive your Model A to the party. Various donors have given more than \$1,400 toward our anniversary celebration which is extremely generous. We'll want to honor each of them at our party to show our sincere appreciation. Several members have helped with the planning and we will recognize them on July 15 also. Other members have longevity in the club, own several Model A's, have been to numerous Regionals and have been leaders or very active in our various events and deserve recognition as well. We'll have awards and lots of door prizes to give away along with our special 50th anniversary gifts. If anyone has an item or two that would make a good door prize and wants to donate it to the club, please see me ASAP.

Maybe we can even talk Chris DuVall into setting up another trivia contest. Bring your car to Stokely's Event Center by 11:00am on Sunday, July 15, and we'll form up for the aerial photo. Then we will all go inside and plan to eat BBQ around 12:00 or 12:30pm, then make awards and draw for door prizes, eat cake and ice cream and see if Chris wants to challenge us to some trivia. If you have any questions or suggestions, please contact me by text (918-728-1900) or email (kvbrust@cox.net). If you can get me your Model A memories by the first of July, I'll try to include them in our booklet. You snooze, you lose! Barbara has three different sizes of the photo book that she has created. They are priced around \$44, \$75 or \$90. She will have copies of all three sizes for you to view at our July 15 party if you want to wait and see them first to determine which book you want. The plans are being made for everyone to have a fun time so come and enjoy. **Happy Trails and Happy 50th Anniversary!**

SPRINGFIELD REGIONAL 2018

by Barbara Cail

The "Show Me" state of Missouri was the site for our 2018 Regional Meet. The ten Model As driven by our members certainly saw a lot of the state, driving an average of 800 miles! Our club, with 19 attendees, had the most. And, when it came to taking top awards, our club was well represented.

Of the four People's Choice awards, we took 3 home: Marvin and Linda Mellage's Fordor for Closed Car, Andy and Jackie's roadster for Open Car, and Jerry Conrad's coupe for Coupe. The Hubbly race came down to a challenge for Grand Champion between Connie and Ralph Hudson. Connie took the trophy; Ralph settled for second. Several of us won 1st, 2nd or 3rd place trophies for various car games.

We had several touring days. Our first was to Bennett Springs State Park for a BBQ lunch and to see a trout fish hatchery. On the return, we had an ice-cream stop at an old mill. Our second day was spent touring Fantastic Caverns. They truly are fantastic and offered a cool 60-degree ride. From there, we headed to The Rock but not without a great lunch served by

a local church. At the Rock, we recruited a few brave souls to take a daring ride in an ATV. You might want to ask Linda (Mellage), Linda (Ochs), Tory, Roy, Andy or Rich for their thoughts. Our free day was spent, for most of us, touring Bass Pro and/or the new aquarium and museum. Thursday, we took a drive past Branson to Table Rock State park for a picnic then onward to School of the Ozarks. What a beautiful campus and a great concept for higher education. Students work for their tuition! Some make ice cream which, perhaps, is the cause of a few extra pounds on some. Our last tour was to Branson where the ladies shopped and had lunch while the guys visited a restoration garage and enjoyed lunch.

Next year's regional is planned for the Des Moines area. Think Bridges of Madison County and home of John Wayne!
