I am sure everyone had a very great Thanksgiving. I think we are the only country in the world that sets aside a day each year to stop and give thanks to God for His blessing. It is great to enjoy a great meal with family and friends, and after dinner you can work it off with a little back yard football with the grand kids or gather around the television to watch the pros play.

On December 1st we start the month off with the Broken Arrow Christmas Parade. We will have breakfast at Egg-It-On Restaurant (1131 S. Aspen, Broken Arrow) at 8:30 am. Immediately after breakfast, we will proceed to North Main and Dallas to form up for the parade. December 8th is the Catoosa Parade at 2:00 pm. We will form up in the parking lot at the High School at 1:30 pm. We can throw candy at this parade, so everyone please bring candy.

Our Christmas Party is December 15th at Mrs. Cooper's Event Center at 1:30 pm. We will eat at 2:00 pm and then proceed to play the Dirty Santa gift exchange. If you did not sign the sign up sheet at the November meeting, please RSVP to Jessie Reed at 918-451-2124, no later than December 10th, so we will get an accurate count on the number attending so we will order the right amount of food. Please bring

two gifts (one boy and one girl) for our donation to the Broken Arrow Police Toy Drive. They should be new in the factory box but not wrapped. Suggested price from \$15.00 to \$25.00. Dirty Santa gifts should wrapped and marked men's or women's.

Ken Brust passed out a survey form at the last meeting for your input on suggestions for activities for next year. Please complete and bring it to the December meeting.

Our regularly scheduled meeting for December 18th is canceled due to the Christmas Party. Our January 15th meeting will be a chili supper.

Remember the real reason for the Season is Jesus.

who you really are! We welcome Andy, Alan and David as our three new Board members for next year and thank Jeanne, Ross and Dan for their contributions over the past years as they step down.....Do you have a story to tell about a Model A experience? Write

by Ken Brust

After our November 3 breakfast, we had a dozen cars plus Ralph's truck visit Bill Knight's dealership. Bill enjoyed having our cars displayed and he really liked Ralph's truck. Mayleta stopped by and is doing well and looking good in her new neckware. We presented Bill a plaque and flag for his generous sponsorship for our 50th celebration.....We still have a few tag toppers available for \$3 if you need one for a second or third Model A.....My wolf whistle doesn't work worth a spit so was thinking about a train horn until I learned Andy and Mel both have one. Have you heard them yet? Maybe I'll have to just get a new wolf whistle!.....The new Restorer has article on our 50th celebration. I also read about a club that is planning a spring tour in Hot Springs, which might be fun. Not sure yet where the Sooner Club is planning to go.....The Board is conducting a survey as to what the membership wants to do for the coming year. Look it over, fill it out and help the Board plan another fun year..... Remember, the dues went up to \$30 for next year.....PlayDay was cancelled this year due to our space being needed by our host at the last minute. Very disappointing. We also never had our annual chili supper, so we are planning it for this coming January.....I had two new tires mounted, balanced and put on our A recently and Roy had a set put on his A. Robertson Tire (93rd and Memorial) did mine and Tire Barn on Memorial just this side of the river did Roy's. Both did very nice jobs if you are looking for someone to do tire work..... We heard the sad news recently that Roy Clark passed away. Many may not know that Roy was a member of our Tulsa Club at one time. I had always hoped that we could drive our cars over to his big home in midtown but could never get it coordinated. RIP, Roy.....Apologies to Andy Dunn who has been referenced incorrectly as Andy Schmidt in a couple of Club articles. Sorry, Andy, but we all know

it up, send it to Harold for input in the Rumble Sheet and share it with all of us.....Hope everyone had a memorable Thanksgiving. We certainly can be thankful for many wonderful things.

Happy Trails to you.

2018 FALL TOUR

by Ken Brust

The Sooner Club planned a very interesting tour down to see sights around Pauls Valley. Many thanks to Don & Marilyn Mitchell and Chuck & Karen Dusenbery for their excellent work. We had 28 Model A's, according to my count, plus a few modern vehicles. Our hotel was most accommodating!! On Thursday, our Tulsa group caravanned south in two groups, with a lunch stop in Ada. Unfortunately, Marvin started a trend of unwelcome glitches by blowing a head gasket and finished his trip to Pauls Valley aboard a tow truck. We had at least three more blown head gaskets during the weekend. But we didn't let these glitches ruin our good time and most were repaired in record time! (Greg Hoyle can work magic when he gets his head under the hood!)

Friday morning we toured a vintage car and motorcycle collection, the Forgotten Wheels Museum. The museum displayed some amazing cars and an incredible collection of unique Harleys. Afterwards, we enjoyed huge portions of BBQ at Smokin' Joe's for lunch. No room for dessert after that gut bomb (although we did manage to stop later to pick up some locally famous fried pies!).

Next came the Arbuckle Wilderness, a vast woodland full of wild and hungry animals! We parked our A's and boarded old converted school buses to tour through the hills and to be personally greeted by the wild beasts! It was a crazy time and everyone was laughing and enjoying the funny faces made by the animals as we fed them tasty treats. Buffalo, camels, llamas, goats, wild pigs, zebras, horses, longhorns, giraffes, ponies, ostriches, deer, and some beasts we

couldn't identify were all face to face with us as we bounced along. It was a great bonding experience for sure!!! Then we caravanned to Turner Falls to view the magnificent falls from above. Several of the braver types rode the zip line high over the falls. Not losing anyone from this daring stop, we ventured

on to the Magnetic Road and experienced something that just cannot be explained. Going five cars at a time, we stopped at the bottom of the hill, put the cars in neutral, took our feet off the brakes, and damn if our cars didn't start rolling backwards up the hill we had just driven down! I am not kidding! Ask anyone who was there! Something about the ore in the ground being magnetized by lightning making it especially attracted to the type steel Henry used in his cars! How else can I explain it! It was eerie for sure, and we were still laughing on our way back to the hotel from the animals, the jerky zip line and our roll uphill. It was a full

FALL TOUR CONTINUED. . .

day of yuks!! Dinner was on our own Friday night, but who could eat any more anyway?? (Fried pies, remember?)

Saturday we toured the Chickasaw Cultural Center, ate lunch, shopped and most returned to the hotel to watch the Sooners play football or to change head gaskets!! Then we ate together Saturday night having another super feed before returning to hotel to watch the Cowboys play. A group meeting was conducted later that evening to draw for a dozen really nice door prizes.

The return home was uneventful for everyone except Gary and Ricki who blew a head gasket leaving Pauls Valley. Don and June helped them get home to Holdenville while the rest of us stopped at the Rock Cafe for lunch. We arrived home Sunday afternoon after a very entertaining 500+ mile Model A tour. Thanks again Sooner Club.
