

THE RUMBLE SHEET

October 2022 – Volume 56 – Issue 10

We had a great time at the Fall Social at my parent's house this month. We had participants from several clubs including Joop and Marlies Plaggenborg from Arizona. We recently met them at Model "A" Days at the Gilmore Museum. Joop is the record keeper for the 400-A SIG (Special Interest Group). Those in attendance had a chance to view Dad's Henry Ford Award winning 1929 Roadster plus eat some great BBQ!

Our next scheduled activity is breakfast at Café USA in Sapulpa at 8:30 A.M. on October 1st. The address is 725 S. Mission Street. We hope to see everyone there!

October 13th-16th will be our Fall Tour to Branson, MO. Melody DuVall, Connie Hudson, and Jeanne Washburn have put a lot of planning into this trip, and we think it will be a great tour! The

group will meet at the Kum & Go Convenience Store at 701 OK-82 in Locust Grove at 9:30 A.M. to travel to Springdale, Arkansas for lunch at AQ Chicken. Two groups will be starting out in Owasso and Tulsa. If you would like to join the Owasso group to convoy to Locust Grove, please contact Connie Hudson. If you would like to convoy with the group from Tulsa, please contact Jeanne Washburn.

After the Fall Tour, we will have our General Meeting on October 18th. We will have the trivia contest we missed out on earlier in the year due to the library

closing unexpectedly. It should be a lot of fun!

I must once again remind everyone that at the end of the year, Jeanne, Connie, and I will be stepping down from the Board. So, we will need three new board members! If you are interested in stepping up to do your part for the club, please let us know. It takes volunteers to keep the club going and active! We will need to vote on new board members at the November general meeting. So, time is running out to put your name forward!

The Finer Points

By Chris Duval

We made a very successful run up to Hickory Corners, Michigan to the Model "A" Ford Foundation, Inc. Museum within the Gilmore Car Museum. If you have never been there, I cannot recommend it enough. There are lots of great people, and the museum has an incredible display of cars, clothing, tools, and parts. Of course, my favorite part of the weekend is the swap meet. There is more to the swap meet than just parts! I feel I must give credit (or possibly blame depending on who you ask) for my affection for original Model "A" advertisements to Don House. After acquiring his collection of literature, it seems I am hardly able to go to a swap meet without picking up at least one advertisement. This time, I picked up four ranging from one of the very earliest to mid-1930. Aren't they neat? The one on the far right is actually a centerfold ad.

You never know what will pop up at a swap meet. I also managed to pick up an original Schrader dealer display piece. It's just too bad it wasn't filled with original valve stems!

Of course, the main thing at any swap meet is car parts, and this year was no exception. NOS fenders were available as well as used fenders. My favorite items were NOS wheels for 1929 and 1930/1931. Naturally, I managed to bring back a few NOS wheels.

Below are two wheels: one 1929 wheel and one 1930/1931 wheel. Aren't they beautiful? One thing that fascinates me is the manufacturing processes Ford used back in the day. A lot of chassis parts were painted with black enamel including the fenders, which were considered part of the chassis and not the body. To paint these parts, Ford elected to dip them in large vats of black enamel paint. As a result, many of these parts ended up with runs and pools of paint. *(continued on page 10)*

I would appreciate your assistance in letting me know of any medical issues you or other members may be having. You can reach me via email at: roycail@cox.net or cell number 918-906-0575. If you can not reach me please contact Linda Mellage a 918-629-2978. Linda has offered to help me when I am out of town. As a Club, we want to provide any support we can.

Please keep the following in your thoughts and prayers.

- Linda Mellage
- Kent Washburn

If I missed anyone my apologies. Again, if you know of anyone that is having difficulties please let us know so we can send them a card or flowers depending on situation.

Unfortunately I was unable to attend, but I have some information from a reliable source.

The cook out at DvValls was a big success they had 45 guests with 11 from the newly formed MARC Club in Oklahoma City. One guest from Arizona, Marlies and Joop Plaggen-Simons, Joop is the president of the A-400 club. It was a fun day with lots of good food and fellowship.

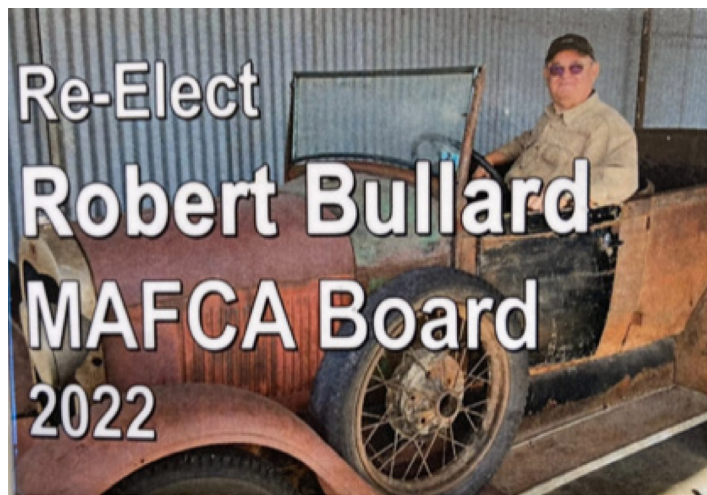

Breakfast at café USA Saturday the 1st of October.

Jeannie talked about our Christmas dinner in December.

The Dallas tour was talked about Cisco, Texas Historical Tour December 10-11th 2022.

New Board Members needed, it's what keeps the club moving with activities and fun. Please concenter serving; you always have help from previous board member.

Nuts and Bolts

by Ken Brust

With our national elections coming in November, the campaigns are heating up quickly. Also, in MAFCA, ballots are due by October 15, and Robert Bullard is still asking for your vote.

We hear the Rich Guy celebrated his 80th birthday and is now driving some new wheels! Happy belated Birthday, Rich! And here is a friendly suggestion for you. Be careful what signs you stand next to or are you really needing our help????

We regret we missed the bbq gathering at the palatial DuVall estate! But I hear David was the only one who drove his A. Are we all so afraid of getting these shiny ladies wet that we don't drive them to club events?? Amazing! Hey, Rodger, is there any salad left???

The men's coffee gang continues to dress up the parking lot at McDonald's on 91st & Memorial with their cars each Tuesday morning at 8:30 Except for first Tuesday of month. Then we meet at Marvin's garage! All guys are welcome!

We'll miss the Fall Tour due to a trip to Mississippi to see our granddaughter but know you will all have a fun time!

Safe travels and Happy Trails to You!

Below is a photo of the center hub of a 1929 wheel. Can you see where the paint pooled and dried in the hub? The next photo is of the back of the wheel. Can you see the paint runs?

Paint runs and dried paint pools are often found on NOS chassis parts. It goes to show that contrary to popular belief, our beloved Model "A" cars were not perfect when they rolled off the assembly line. They were mass produced as quickly as possible. Nevertheless, Ford did have strict quality controls in place to ensure they were providing the highest value possible to their customers in the low cost field.

Dallas Model A Ford Club Lake Murray Tour

Here is the info and registration for the DMAFC Lake Murray tour Nov 4-6 if any of your members are interested. I think there are a few from Sooner As coming down.

The tour will start with an early lunch Friday 4 Nov at MG's restaurant in Sherman, TX, we will then proceed to Durant to the new Choctaw Cultural Center, and around 2:30 to 3:00 head to Lake Murray to check in and cook hamburgers at the pavilion. Sat. Nov 5 we will head to breakfast at Prairie Kitchen in Ardmore, then to the Greater Southwest Historical Museum in Ardmore. We leave there for a drive through the country to Tishomingo for a couple of attractions and lunch at Ole Red's, Blake Shelton's restaurant in Tish. Arrive back at lake Murray early afternoon for socializing and dinner at the pavilion. Evening meals are provided by the club since there is no longer a restaurant at Lake Murray.

We would love to have any of your members join us for a friendly Texas-Oklahoma get together that doesn't involve a football game. Tell them to make their reservation at Lake Murray, send their registration to Trisha, and contact me to join us on the tour. Jim Talkington, Kingston, OK

About the Tulsa Model A Ford Club Chapter #8231 of the Model A Club of America (MAFCA)

This is the official publication of the Tulsa Chapter of Model A Ford Club of America. This monthly newsletter is mailed to members, prospective members, advertisers and editors of similar publications. Its purpose is to keep you informed of what has taken place, scheduled activities and to promote fellowship among club members.

Members are encouraged to submit articles containing technical or any club related information. Articles must reach the editor by the 5th of the month to insure publication in that month's newsletter. Articles received after that will appear in a following newsletter.

Membership dues for the Tulsa Model A Ford Club are \$30 per family annually payable at the end of the year. Contact the New Member chairperson for new memberships and the Treasurer for renewals. The Tulsa Model A Ford Club recommends membership in the national MAFCA organization.

Members may advertise at no cost, non-business ads in the newsletter For Sale, Wanted or Trade section. Businesses may advertise with cost by the ad size, (business card size or 1/4 page) in the advertising section. The number of ads are restricted to space available in the Rumble Sheet. Contact the Advertising chairperson for details.
